**Approving Business License Operating Conditions relating to the Extended Hours license held by Sal's on Fifth, 10 5<sup>th</sup> St N, Minneapolis.**

Resolved by The City Council of The City of Minneapolis:

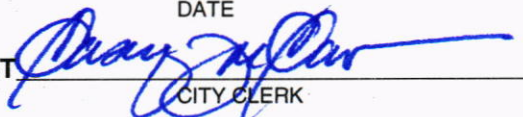

That it approves the following Business License Operating Conditions relating to the Extended Hours license held by Sal's on Fifth, 10 5<sup>th</sup> Street N, Minneapolis:

1. Sal's on Fifth agrees to provide sufficient staff devoted exclusively to security related duties during certain specified hours and days. This security will consist of an off- duty police officer.
2. Sal's on Fifth agrees to employ the aforementioned officer from 12:30 am to 3:30 am on weekends, holidays, and special events. If this security is not sufficient to adequately protect customers and staff, the licensee agrees to increase hours and/or days.
3. Sal's on Fifth agrees to always have a designated manager on duty who will also be in charge of security when the off duty officer is not present.
4. When officers are not present, it will be the responsibility of the manager on duty to keep order and remove loiterers from the immediate area. If management is unable to control an escalating situation, police will be called immediately.
5. Sal's on Fifth agrees to monitor access to the restroom to prevent loitering, use of narcotics, or violent incidents from occurring.
6. Sal's on Fifth agrees that, with input from the Minneapolis Police and Public Works, it will strategically place stanchions outside the restaurant to increase customer and pedestrian safety. One of the off-duty officer's major responsibilities will be pedestrian control on the sidewalk between the light rail station and the entrance to Sal's.
7. In place of a prepaid food charge, Sal's on Fifth agrees to post a minimum purchase requirement.
8. Sal's on Fifth agrees to maintain and enforce a no admittance list.
9. Sal's on Fifth agrees to post their business hours on their front entrance glass door in professionally done lettering.

10. Sal's on Fifth agrees to meet with the MPD to address any security or operational concerns.
